Dear Parents

There will be a Parent-Child workshop for First Reconciliation on Thursday the 27th August 2015 from 6:30pm-8pm at the Sadler Centre at Corpus Christ College.

It is very important that at least one parent attends with your child who is preparing for the Sacrament of Reconciliation. Whilst it would be preferred that both parents attend, we realise that this is not always possible. It is also requested that siblings are not present, as this is special evening for you to focus on your child who will receive their First Reconciliation later this term.

At the workshop you will receive a booklet with important information as well as a form to fill in so you can nominate the Reconciliation Service you will attend. Please also bring the $30 Sacramental fee to give to your child’s teacher when you register. Correct change is appreciated.

Looking forward to seeing you there!
