Dear Parents

YIDARRA APPLICATION FOR ENROLMENT
KINDERGARTEN – YEAR 6

When making an application for a place at Yidarra, please note the following:

• Because of the large number of applications, our enrolment policy, as enclosed, is closely adhered to.

• Your address indicates to us whether or not you are inside the parish boundaries. This could have a bearing on whether or not you receive an offer of a place for your child. (A map of the boundaries appears on the back of this letter). If you change your address or contact details while waiting for enrolment, please inform us.

• For entry at the four year old Kindergarten level, it is important that we receive your child’s application for enrolment for enrolment at least 12 months before they are due to commence Kindergarten, as waiting lists are compiled and interviews are conducted in the previous year. To be eligible for enrolment, children must turn 4 years of age before 30 June in the same year they are due to start Kindergarten. Term 1 for Kindergarten–Year 6 commences in January/February each year.

• An enrolment fee of $75 per child, which includes GST, is requested to be paid with each application lodged at Yidarra. This fee covers administration costs and will not be refunded should your child not gain entry into the school.

• If we are unable to offer a place for your child immediately, the enrolment form will remain on our waiting list and will automatically roll over from year to year, unless you officially request in writing that we withdraw the application.

• Application requirements:
  • Application for Enrolment form
  • Full Birth Certificate (not extract)
  • Baptism & other Sacramental Certificates
  • Parish Priest Reference (new families only)
  • Immunisation Record
