## Reflection

Mary you gave us Jesus.  
You were his mother on earth  
and you are our  
mother in heaven.  
When we think of you,  
we think of a woman of great  
faith and gentle, motherly love.

We believe that you are always  
there for us and that you love  
us  
with a great love.  
We ask you to help us love  
your  
Son Jesus as we ought and to  
follow your example of faith  
and  
trust in God.

Mary, be always a mother to us,  
a mother in whom  
we can confide,  
A mother who helps us on our  
way, a mother we can pray to  
each day.  
Amen

### WELCOME TO TERM 4

Welcome back to Term Four! We hope the children (and teachers and parents as well) are well rested. It is hard to believe that there are only 9 weeks of school for the students until the end of the academic year. Before we know it we'll be saying 'Where did the year go? Teaching programs, reports, end of year celebrations and graduation all have to be crammed into the next 9 weeks. I therefore encourage all students to continue to apply themselves and work hard with their studies this term as it is critical for their transition to the next year level.

### OCTOBER, THE MONTH OF THE ROSARY

The rosary is a devotion in honour of the Virgin Mary. It consists of a set number of specific prayers. The word rosary comes from Latin and means a garland of roses, the rose being one of the flowers used to symbolize the Virgin Mary. Not only Catholics recite the rosary, many other Christians now say the rosary, recognizing it as a truly biblical form of prayer—after all, the prayers that comprise it come mainly from the Bible. The following link will help you if you are interested in learning more about this: [www.catholicity.com/prayer/rosary.html](http://www.catholicity.com/prayer/rosary.html)

### SUMMER SCHOOL UNIFORMS

Students are required to return to school in Term 4 in their summer uniform. There will be a changeover period of one week for those who need to purchase a new uniform. Information regarding school uniforms is located in the Parent Handbook that was distributed at the beginning of the year or on our school website at [www.web.yidarra.wa.edu.au](http://www.web.yidarra.wa.edu.au).

### STUDENTS NOT RETURNING IN 2015

We have commenced our planning for classes for 2015. If your child is not returning in 2015, early notification is much appreciated. We have students on waiting lists in some year levels and finding out that a student will not be returning next year at this stage of the term allows us to complete enrolment processes for new students in a timely fashion. If your child is not returning in 2015, please inform the school as soon as possible. Naturally this does not apply to our current Year 6 students.

### CLASS PLACEMENT FOR 2015

This term, staff will work together to place students in classes for the 2015 school year. This is quite a complicated process and involves carefully considered and professional input from class teachers, specialist teachers, school administration and parents. These decisions are made very carefully by considering the best learning situation for all of our children. When preparing classroom placements for next year, many factors are taken into consideration, based on social, academic or special needs. As the teaching staff allocation for 2015 is not yet finalised and unlikely to be finalised for some time yet, we are unable to say with any confidence which teachers will be in which year levels in 2015. The final decision for student class placements rests with the Leadership Team. There is no guarantee that requests from parents are able to be granted. If you wish to provide vital or additional information for your son/ daughter's placement next year.

Please submit any information in writing to the Principal via email to [costin.carmel@cathednet.wa.edu.au](mailto:costin.carmel@cathednet.wa.edu.au) or send it to the office. Information for class placement must be received no later than **Friday 31 October**. Class lists will be published on the Monday of the last week of Term 4. All students will be given the opportunity to meet with their new class and teacher (if known or available) on this day. A copy of the Composition of Classes Policy will be sent home this week for your reference.

### ATHLETICS CARNIVAL

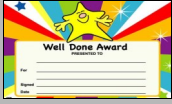

All parents are reminded that our Athletics Carnival will be held this Thursday 16 October commencing at 9am on the school oval. We wish all our students an enjoyable day as they support their faction.

### SCHOOL PHOTOGRAPHS

Next week a photographer will be in the school on Monday and Tuesday to take the annual school photographs. Students will need to wear their full summer uniform on the two days as we will be taking whole school, class and individual photographs on Monday and Tuesday.

God bless,

**CARMEL COSTIN**

**PE NEWS**

**ATHLETICS CARNIVAL**

Thursday 16 October is our parents and friends carnival day. We would love to see you on this day to support and encourage your children as they compete. The scores from the field events will carry over to Thursday so that parents can see how well each faction performed.

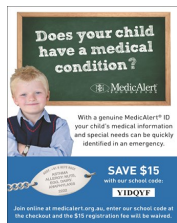

Please ensure your child is sent to school with a hat and water bottle **both labelled**. The canteen will not operate on Carnival Day unless lunch orders have been placed.

Whilst we endeavour to ensure all events run smoothly and on time, we cannot prepare for every unforeseen circumstance. There may be inaccuracies in the carnival's scheduling and recording, and whilst this is unfortunate, please remember to support the school and recognise the many positives of our school carnival rather than being overly concerned with individuals' placing. The purpose of our carnival is participation, encouragement, leadership and building school and team spirit.

Looking forward to seeing you all this Thursday,

**ROB DEBOWSKI**  
**PE Teacher**

# LIBRARY NEWS

## LIBRARY NEWS

Welcome back to term 4 everyone. This is a short term with lots of exciting events coming up. One of those will be the Christmas Book Fair on Wednesday 5 and Thursday 6 November. As usual it will be held in the library with sales before and after school and at lunch time. Parents who want to buy Christmas presents, without their children looking on, are welcome to come and browse during class time on Thursday morning. Remember not only do you get to buy great books for your family; the school receives points for each sale which goes towards the purchase of new library books.

## OPERATION CHRISTMAS CHILD

By the end of last term families had donated 76 shoeboxes filled with lovely gifts for children in Cambodia, Vietnam, Thailand or PNG. Congratulations on a great contribution.

During the holidays I worked at the OCC Processing centre in Balcatta where all the boxes are checked, sorted and boxed ready to go into the containers for shipping. That transport is where your donation of \$9 per box is needed.

I always enjoy helping at the centre, there is a great deal of work to be done and a chance to work with a wonderful group of volunteers. The processing will continue, 6 days a week until early November. Volunteers are always needed. Here are some photos of processing.
